

Henley Place Herald

November 2024

A Message from Your Leadership Team:

Happy new month Henley Place families. We are excited to start the winter months. We have lots of new and exciting holiday activities planned and we hope you can join in.

We would like to welcome Rikk Morale to the Henley Place team as our new food and nutrition manager, and Saloni K as our new environmental manager.

You may have noticed the new furniture in the home. We would like to let you know that more is on the way. We are also excited to announce that we have purchased a new greenhouse as part of a new horticulture program that will connect with our programming and dietary departments and enhance our resident program. As well, as we have a new wheelchair accessible bike on the way.

Other News & Updates

Melanie, our Life Enrichment Manager, has moved on to a new position with a different company. In the interim, Emily L has stepped into this role.

Upcoming Family Forum:

We have launched a new program called Family Portal. This portal will allow families to have a better look into their residents' day-to-day activities and help enhance communication with families. If you would like more information or would like to sign up, please reach out to Emily in Life Enrichment @ x.5311.
