September 2024

A Message from Your Leadership Team

Happy New month from the leadership team and welcome to our new newsletter - the Henley Place Herald. We are excited to launch our new publication and highlight our home and staff. What can you expect from our new newsletter? Each month we will highlight new programs, bring updates from the home and introduce you to some of our amazing staff. We are excited for all the new changes and upgrades that are coming to Henley Place. So stay tuned for more information.

In This Month's Feature: Infection Control Update

Respiratory Season is around the corner!!!!

Henley Place will be holding immunization clinics for all residents again this respiratory season.

COVID, Influenza and RSV vaccines will be offered to all residents who qualify according to the Publicly Funded Immunization Schedule set out by Public Health Ontario.

Calls will be made shortly to obtain consents for your loved ones.

Outbreak:

Currently Henley Place has 2 outbreaks active in the home - COVID 19 and parainfluenza. Both outbreaks are respiratory outbreaks. Due to the wide spread of cases Henley Place, has implemented mandatory masking throughout the building.

Please remember to stay home if not feeling well, use hand hygiene often and please wear a mask.

Let's work together to control the spread of these outbreaks. Thank you.

Celebrating Programs Last Month!

Last month we had two great trips to Port Stanley to have lunch at Mackies on the beach!

We also had our annual Car Show fundraiser. The turn out for cars wasn't what we hoped for but we had a great night with a 50/50 draw and hamburgers and hotdogs for sale!

Upcoming Special Events & Programs for September

School backpack drop off.

On September 10th, the residents will be taking the backpacks we were able to fill with your wonderful donations to a local school in need.

Grandparents Day Social

Being a grandparent is an amazing thing and needs to be celebrated! Please join us on Saturday Sept. 7th at 2:15pm in the Café for some music and treats.

Update From Residents' Council

Residents' Council is happy to announce we raised \$480 at our annual Car Show and BBQ fundraiser. We didn't get the turn out of cars that we had hoped for but we had a great night with good food and great music.

Next Meeting: Sept 11, 2024 at 2:30pm

Update From Family Council

Family Council is currently seeking new members. If you are interested in joining our council please reach out to Ashley Henry – Resident Care Coordinator.

Next Meeting: Oct 8th at 2:30pm

Education & Important Information

Henley Place staff and Managers have been fortunate enough to participate in multiple education sessions over the last month.

Restorative education has started for various staff members, Lean training as well as Dementiability Training are all planned for September.

You might have seen our new restorative tables in our dining room and we are excited to announce that more new feature and improvements are coming to the building.

Meet One of Our Amazing Team Members, Amy McLean!

Hello everyone!

I am so excited to be stepping into the role as Director of Care at Henley Place. I have recently moved back to my home town of London after living in Ottawa for the past 12 years. While in Ottawa I worked as a nurse at a long-term care home in addition to working on a surgical floor and in a psychiatric ICU. Although acute care is exciting, my passion is working in long term care. I'm looking forward to getting to know our amazing residents and their families that comprise our Henley Place family! Please feel free to stop by and say hello!

What you do is heart work, 
thank you for all you do!

Other News & Updates

You will see two new faces sitting behind the desk - Abishek and Lealyn. Be sure to say "Hi" next time you're in the home.

Henley Place is still actively recruiting for a Food Service Manager.

Thank you to the families that participated in the admission matters process mapping. We are excited for this program to launch and see the improvements in our admission process.

Upcoming Family Forum/Information Night

Stay tuned for a date in October for a Meet and Greet with our management team.
