### Meet One of Our Amazing Team Members - Saloni Kaushik!

Being the Environmental Services Manager at Henley Place has been such a fulfilling journey. Every day, I have the chance to make a difference by ensuring our residents enjoy a clean, safe and welcoming home. From overseeing housekeeping and maintenance to finding ways to improve processes, it's incredibly rewarding to see the positive impact these efforts have on everyone here. Knowing that my work contributes to the comfort and wellbeing of our residents keeps me motivated and inspired.

Outside of work, I love spending time on hobbies like music and sports, which help me stay active and energized. I'm also passionate about personal and professional growth, always looking for new ways to improve and learn. It's this combination of dedication and curiosity that drives me to give my best every day at Henley Place.

I'm so grateful to be part of this amazing community and look forward to continuing to grow and contribute in meaningful ways.

What you do is heart work.   
Thank you for all you do!
