Meet One of Our Amazing Team Members, Aksa Reji!

Hello, my name is Aksa Reji. I am thrilled to begin my journey as the Associate Director of Care at Henley Place. I am excited to learn more about this wonderful home, our residents, and my incredible team members.

When I immigrated to Canada, I never could have imagined the meaningful work I would get to be a part of. Working as a nurse has given me a deep appreciation for the impact we have in peoples lives, and I am passionate about the positive changes we can make together in this role. In my new role, I am looking forward to enhancing the quality of life for all our residents through the Pain and Palliative Care Program. I am committed to ensuring that our residents receive the highest level of care and support, and I look forward to working alongside our dedicated team to make a difference.

What you do is heart work. Thank you for all you do!
